

## **PHOENIX** PRODUCTS

*High Performance PVC Roofing Products  
Presenting up to 30 year Commercial Warranties*

## Quality and Long Term Assurance

---

PHX HAS A MULTITUDE of warranty options for Commercial applications, including our 30 year Full System Warranty. PHX PVC membranes are dependable and hassle free. That is why EVERY warranty from Phoenix Products comes with a no dollar limit warranty and is 100% non-prorated. You don't have to pay inflation tomorrow for a roof installed today.

## Elite Customer Experience

---

FOR ROOFERS, BY ROOFERS. Phoenix Products prides itself on outstanding service. With decades of roofing experience we know the demand on your time and are determined to get you what you need when you need it, making sure you are covered every step of the way.

## Fire Resistance

---

CLASS A FIRE RATED, Phoenix PVC membranes provide self extinguishing performance once flame source is removed , unlike competitors' product which continues to burn.

## Environmentally Conscious

---

COMMITTED TO ENVIRONMENTAL CARE, PHX PVC membranes are recyclable at the end of rooftop service life. PHX PVC is highly reflective, maximizing your energy efficiency through reducing your utility costs.

## Reduce Energy Costs

---

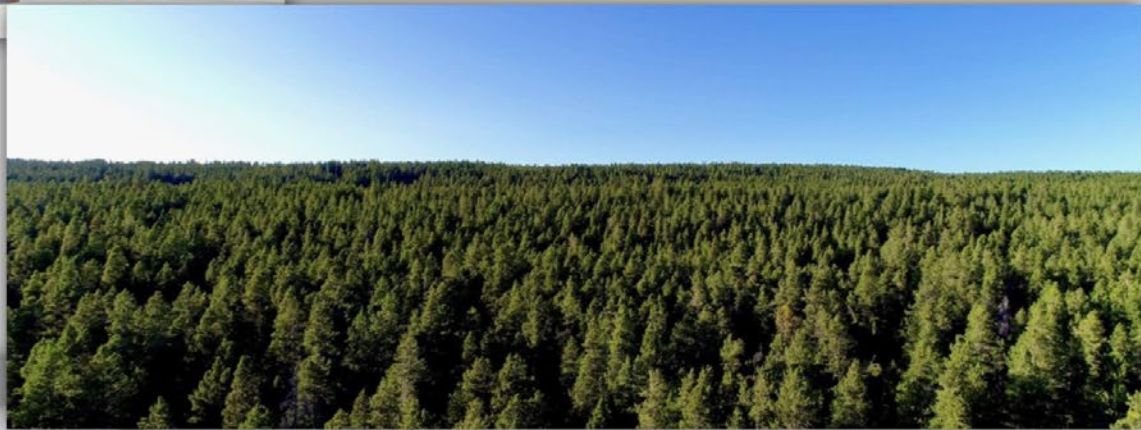

REDUCE MONTHLY ENERGY COSTS in an economy where energy prices continue to rise. A Solar Reflective Phoenix PVC membrane will reduce monthly energy costs as well as maintain best life cycle investment in the industry.

## Ponding Water

---

PONDING WATER IS NOT A LIMITATION in the PHX PVC warranty. It will not affect your PHX warranty or performance of a PHX PVC membrane's waterproofing capabilities.

	PHX PVC Single Ply	APP/SBS/BUR Asphalt Roof	EPDM Rubber Single Ply	TPO Alternate Single Ply
